

Hello.

Mail?

Today?

Oh yes, progress
never stops...

But tell me, what are you
doing outside your house in
the middle of the night, little
girl? **And on Christmas?**

You're the one
who should be
in bed!

I'm waiting for
Santa, have you
seen him?

No, I haven't seen
him around.

Why are you so keen
on finding him?

Well, I haven't
been very good this
year, so...
Well...

You see, I thought that
if I spoke with him, I
could maybe ask him
to forgive me.

Hmm!
