

Alright! It's about time  
I get back to work...

**WOOF!**

Oh yes, this  
morning a  
colleague gave  
me this puppy...

So I took it, but I  
haven't got time  
to look after him  
with my work.

Would you like to  
become his new owner?

I haven't even  
found a name  
for him yet!

... and Merry Christmas!

Merry  
Christmas, Sir!

**-THE END-**
